Signal...

(Continued from Page 1)

Public Works, to the Board of Education Tuesday.

"Preparation of plans for the proposed project has been initiated by the district office of the Division of Highways in Los Angeles," the letter stated further.

Although no definite date has been set for installation of the signal, "action will proceed as rapidly as possible," McCoy wrote.

Negotiations for bearing the cost jointly will be carried on with the city of Torrance. McCoy also recommended that crossing guards be kept even after installation of the signal for the children's safety.

In regard to yellow crossing lines, McCoy explained that these are only painted where schools adjoin state highways directly.

Stars Defeat Simms Park

Jewelers, baby's silver set; McCown's, baby bottle sterilizer; Squire Style Shop, quilt; Mayfair Creamery, one month's supply of milk; Liberty Home Appliances, \$50 on purchase of new automatic washing machine; Roth's Market, case of baby food; Torrance Flower shop, planter; Howard's Jewelers, one step-up set; Southwest Savings and Loan, \$5 savings account; Milo's Restaurant, barbecue chicken dinner for mother; Burke's Bargain Spot, gay lamp; Beauty Crest, shampoo and set; and Photo Arts Studio, free 8x10 portrait.

Torrance Midget Stars representing the Torrance Recreation department, defeated the Simms Park team 54 to 9 to open the Los Angeles County Invitational Tourney in Bellflower last week.

The local squad paced by Jim Hester and Gary Gresham proved too much for the host team. Simms Park was unable to penetrate the Stars' tight defense.

On Thursday the Stars met the much taller Ladera team and went down in defeat 18 to 16. With only seconds to play and the score all tied up at 16 to 16, the winners caught Torrance off guard and scored and easy lay up shot to put the Stars out of the tourney.

The local squad was coached by Dennis Hester, former basketball star. Hester is now attending Harbor Junior College.
